

HYDRIVE TRENCHER RANGE

AUSTRALIA'S PREMIER ATTACHMENT MANUFACTURER

Hydrive Trencher Range

Digga Hydrive Trenchers, compact and powerful fitted with a quality Digga Planetary Drive & Eaton Hydraulic Motor. Unique drive system positioning allows for more usable horse power providing greater efficiency.

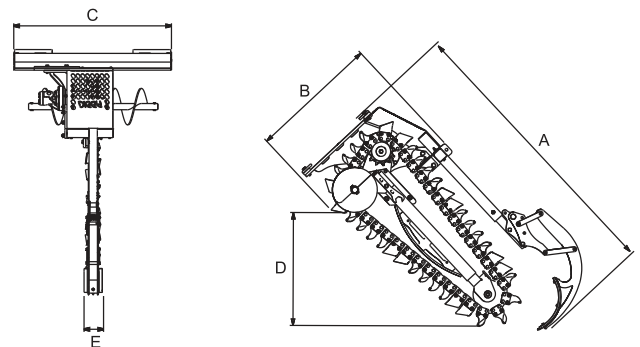

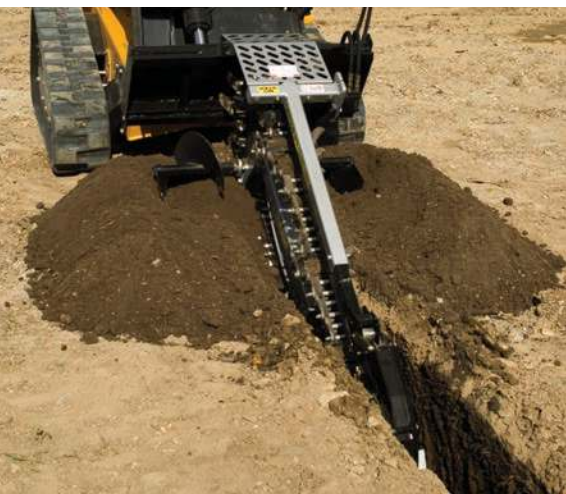

Features:

- Hydrive: Up to 900mm digging depth and 300mm digging width with a 1.654" chain
- Hydrive XD: Extra Heavy Duty Trencher for up to 1200mm digging depth and 350mm trenching width with a 2" chain
- Twin spoil augers for efficient spoil removal on both sides of the trench
- Twin spoil augers create finely crumbed spoil for effective re-compaction and minimal ground disturbance
- Frame can be side shifted for digging close to permanent structures
- Augers can be removed for close up trenching to walls or fences
- 4 different Chain options, Earth, Frost, Combo and Diggatac

Machine suitability:

Hydrive: Excavators up to 3.5tonne, Skid Steer Loaders, Mini Machines

Hydrive XD: Excavators over 3.5 tonne, Lrg Skid Steer Loaders, Tele-handlers, Back Hoes
